## **IV. INTERNATIONAL SYMPOSIUM ON DRILLING AND BLASTING TECHNOLOGY 2025**

10. september 2025. 9:00-18:00

location

HDF 1st EOD and Riverine Guard Regiment  
Budapest 1153 Szentmihályi str. 107.

The professional programme will include projected presentations, which will  
which will be continuously updated in our newsletter, and website.

The symposium will focus on promoting and updating the following topics: changes in the  
field of industrial explosives engineering; the latest advances in explosives engineering; the  
future of military explosives engineering; and all things explosives.

The management of MARE welcomes the members of our partner organisation to a friendly  
dinner on 09.09.2025. According to the SSTVP-MARE agreement, the event is free of charge  
for members arriving as delegations. A buffet and lunch will be provided during the symposium.

It is possible to publish presentations in a MARE-MHTT publication with a joint ISBN number.  
The deadline for submission of publications is 30.08.2025 at the latest, according to the given  
template. Publications for publication should be sent to the following address:  
[daruka.norbi@gmail.com](mailto:daruka.norbi@gmail.com)

***We welcome you to our event! Best regards from the MARE management.***
